

STRATEGIC PLANNING ADVISORY COMMITTEE
November 16, 2010
Conference Room, Student Union

The meeting was called to order at 3:05 p.m. with the following people present: Peggy Clark, Richard Coughlin, Doug Davenport, Lou Ann Gilchrist, Teri Heckert, Deb Kerby, Donna Liss, Gina Morin, Clifton Ricana, and Paul Yoder.

There was an update on how the campus forums were proceeding.

The Committee worked on combining input regarding the major themes from the environmental scanning reports into one document. Lists from Lou Ann, Brad, and Doug had already been combined, and additional items were added to various categories. Lou Ann asked the members to send their documents to her; and she will consolidate them and identify no more than 10 bullet points to use for the presentation to the Board of Governors meeting.

After today, summarize the information received from the forums you held, and send the themes to Peggy. She will create a spreadsheet with columns for each person containing short phrases for the themes.

At the next meeting on November 30, feedback from the campus forums will be discussed.

The meeting closed at 4:30 p.m.
