

Teri,

Thanks for doing this. I went back and found the exact prompts for the breakout sessions. The handout given to the breakout groups discussion leaders is reproduced below:

Top Two or Three Goals for the Next Strategic Plan to Report to the Workshop

- 1.
- 2.
- 3.

Possible Ice Breaker Questions to begin discussion:

- Based on Truman's vision to "be America's premier public liberal arts and sciences university," Truman's Values and the expected environment in the next decade, what should be the most important goals of Truman's next Strategic Plan?
- What currently sets Truman apart from other institutions? What else should we do to set Truman apart?
- Which of the current Strategic Plan Goals should we continue and which one should be eliminated? What other goals should we add? (The six goals from the current strategic plan were then listed).
